Southern Piedmont Chapter Newsletter - August 2023

Dear SPASHRAE Member,

I am Erica Powell, the new Southern Piedmont Chapter ASHRAE President for the 2023-2024 year. We are using a bit of a different format for our newsletter this year. See below for a link to a PDF with introductory messages from myself and the new chapter chairs.

Also new to our newsletter is a schedule of upcoming Southern Piedmont Chapter events for the next few months. This will remain a permanent fixture of our newsletter so as to give chapter members ample time to plan and register for events. Please note that this is provided as a snapshot only. All event dates and locations are subject to change. Please reference our website for an accurate listing of upcoming events.

We've got a great team of chairs this year ready to serve our members. I can't wait to see you all at our first chapter meeting on **September 7th** and let's get ready for a fantastic year!!
