MESSAGE FROM THE PRESIDENT

Hello Southern Piedmont Chapter! September and October were two months with two virtual meetings. We had a great turnout for our virtual chapter meetings and had two great speakers thanks to Kathleen Owen and Ryan Staton. We have been busy putting together the golf tournament for November 10th please see the details and sign up soon spots are going fast! We have another Virtual Meeting lined up with one of our favorite presenters Lorrie Todd, who will be speaking on Mitigating Disease Transmission with Germicidal UV-C. And this month we are highlighting Erica Powell, your SPAHRAE RP Chair who is working hard putting the golf tournament together and calling on our local members and businesses to become SPASHRAE Chapter Sponsors for this year, and taking up donations to auction off for the SPASHRAE Holiday Auction and RP Fundraiser for December, more details to come.

I hope you and your families all have a blessed Thanksgiving Holiday coming up, and I look forward to seeing you all soon!

RESEARCH PROMOTION

RP Volunteer Committee: If you are interested in helping our chapter raise funds, plan events and ask for donations, please reach out to me at Erica.Powell@tranetechnologies.com

My name is Erica Powell and I currently work in the Trane Technologies Charlotte Commercial Sales Office as a Systems Account Manager. In my current role, I work with consulting engineers and contractors in the design, application and sale of Trane systems, focusing on Trane equipment. I've been working with Trane for a year and a half and before that, I attended Clemson University where I received my Chemical Engineering Degree with a minor in Business Administration. In school, I was Social Chair for my sorority and I played on the Clemson Women's Club Lacrosse Team. I moved to Charlotte in May 2021 and one of my favorite things to do is to discover new restaurants or local coffee shops. While I am still new to ASHRAE and the area, I'm extremely excited to be the RP Chair for the Southern Piedmont Chapter and eventually get to know all its members. Please feel free to reach out and connect on LinkedIn. Looking forward to a great year!
