

BEST IMPRESSIONS CATERERS

Byron's South End will be closing during the months of January and February to execute a remodeling of the venue. Due to a reconfiguration of the entrance and two new restaurants going into the building, we are taking the opportunity to shut down Byron's and complete a project to improve the venue for our clients.

During the months of January and February, we will host all weekday business meetings at the Triple C Barrel Room in place of Byron's South End. Best Impressions Caterers has teamed up with Triple C to become their exclusive caterers and are in charge of booking and managing all events within the Triple C Barrel Room.

We appreciate your patience and understanding in the upgrades taking place and as always are very grateful to have you be a part of Best Impressions Caterers. Please reach out if you have any questions at all.

Sincerely,
Best Impressions Caterers
